

# It's time to think about your local charity Williams Fund Christmas Cards

Dear Customer,

It is very early in the year to wish you a Happy Christmas, but nevertheless we would like to do just that.

For the past six years we have supported the 'William's Fund' in the production of their Christmas card.

With your help and generosity, 'William's Fund' has raised over £115,800 through the sale of Christmas cards and over £455,000 in total. These funds have gone directly to the research of unknown childhood cancers.

For all overprinting enquires please call The Print Centre on **01442 876600**.

For costs please see table below.

Ben Nixon.

You pay The Print Centre direct and The Print Centre pay William's Fund the full price (£15 for 50 card/£25 for 100 cards) for ALL the cards they sell.
